2007: August

29 Morning News Shows ‘Promoting’ Democrats, Study Finds (link to study)

22 New Zealand: The BSA has published two studies on this site that examine ‘new media’ issues. The first, Children’s Media Use and Responses, looks at recent New Zealand and international studies of children’s media use and responses, and the second, Media Literacy Information in New Zealand, is a comparative review of media literacy activity here and overseas. Read press release.

21 High School Musical 2 (The Disney Channel) garners the highest rating ever (17.2 million) for a basic cable TV program
