29 FTC Study: Kids target of \$1.6 billion in food ads (and reaction)

25 Young Bloggers and Online News Users are Better Informed On First Amendment Rights, Authors Find

21-23 I participated as part of Dr. David Considine's "Democracy, Diversity & The Media" media literacy teacher's institute on the campus of Appalachian State University.

The institute attracts teachers from across the US. I presented on Edward R. Murrow (Monday) and Visual Literacy (Tuesday). The powerpoints for these sessions can be found on my presentations page.

17 New 21st Century Skills and Social Studies Map, includes media literacy (pg.10),  
New resource helps teach 21st-century skills (eSchool News story)

12 More Movies To Include Anti-Smoking PSAs

3 posted new page: Using movie trailers to teach persuasive texts
