

Limitless Radio Ad Script

Radio commercial, recorded 8/16/19 from Fox Radio News, Noon ET

Female announcer:

What if I told you there was a way to step into another gear for your brain and be more sharper and focused and improve your memory to a level that you could only dream about and notice these results in 30 minutes? Hard to believe?

Neuroscientists are calling this new brain discovery “the biggest advancement in brain science to date.”

It’s called LIMITLESS: the brain pill of the future.

Take it and within 30 minutes you’ll transport your mind to a new level of focus and clarity you would have never thought possible.

Man: “ I took LIMITLESS and it started working in minutes. All of a sudden it felt like a dark cloud had been lifted up right before my eyes. I have a mental clarity I’ve never felt before.”

Female announcer: Athletes, students and teachers are calling LIMITLESS “ a secret weapon for the brain.”
